	<p>▼ Data recipients (by categories)</p>		
	<ul style="list-style-type: none"> • Authorized processors duly instructed and required to maintain confidentiality. • Processors: service providers to whom the data may be transmitted and who process the data on behalf of the Controller on the basis of a legally binding agreement guaranteeing the protection of personal data. • Autonomous data controllers with sufficient guarantees to process data subject's data and with a valid legal basis for doing so (e.g. supervisory and control authorities and bodies, public or private entities that have right to request data, such as partners or suppliers). 		
	<p>▼ Legitimate interests pursued by the Controller</p>		
	<p>The Controller may use its legitimate interest as the legal basis for a specific purpose by balancing its rights with those of the data subject, taking into account his or her 'reasonable expectations' in view also of the existing relationship with the data controller. When processing is based on the legitimate interest of the Data Controller, it is not necessary seeking the Data Subject's consent for that specific purpose. The processing must not adversely affect the rights and freedoms of the Data Subject.</p>		
	<p>▼ Transfers to third countries pursuant to Articles 46, 47, 49 GDPR</p>		
	<p>Transfers to third countries will take place in accordance with current legislation:</p> <ul style="list-style-type: none"> • in countries recognised as safe by the EU Commission • in countries with which Europe has international Data Protection Agreements • with entities with which the Data Controller has entered into legally binding agreements providing adequate guarantees for the protection of the Data Subjects as required by law. • if there are exemptions provided for: <ul style="list-style-type: none"> ▪ consent of the Data subject ▪ by necessity and not repetitively for types and amounts of data that allow it. <p>Further details on the location, appropriate safeguards and copy of the data can be requested from the Data Controller and/or will be provided in appropriate reference notices.</p>		

  	<p>▼ Rights of Data Subjects</p> <hr/> <ul style="list-style-type: none"> • To obtain confirmation or not about on going processing and eventually, obtain access to the data concerning the data subject • To know the origin of the data processed by the Controller • To verify the accuracy of the data concerning the Data Subject • To oppose, for legitimate reasons, the processing • To ask for possible integration, deletion, updating, rectification, blocking of personal data processed in violation of the law, portability <p>Enquiries may be addressed to the Data Controller via the contact details in the header or to the Data Protection Officer (DPO) at dpo@bmgroup.com.</p> <p>Data Subjects also have the right to</p> <ul style="list-style-type: none"> • Be informed about violations that may present a high risk for those concerned • To lodge a complaint to the competent supervisory authority in the Member State where they usually reside or work or in the State where the alleged breach occurred.
	<p>▼ Consent</p> <hr/> <p>The free, optional and revocable consent, of the data subject, when required, is collected for the processing of data for specific types of data or purposes.</p>
	<p>▼ Categories of personal data concerned</p> <hr/> <p>For some of the Data Controller's activities, the personal information collected relates to common data (could include identification and contact data etc.) and sometimes to data belonging to special categories within the meaning of Article 9 of the GDPR (only where there is an appropriate legal basis, e.g. when the data subject has given consent or the Data Controller needs to exercise employment and social security law rights).</p>
	<p>▼ Additional purposes</p> <hr/> <p>Where the Data controller intends to further process personal data for a purpose other than that for which it was collected, the Data Controller shall, prior to such further processing, provide the Data subject with information about that different purpose and any additional information relevant to the new purpose.</p> <p>Such disclosures may take place by updating the Information Notice and/or by contacting the person concerned.</p>
	<p>▼ Version and date</p> <hr/> <p>V.04_July_2024</p>
